

AUTOMATE®

Internal Sun Sensor

Detects sunlight levels and automatically adjusts your shades to the perfect position for enhanced comfort and convenience.

Light measurements

Features a lux meter to measure light intensity and perform an automated action.

Automate Radio Communication

Compatible with all ARC internal and external motors.

Four Preset Modes

Four advanced modes for precise sunlight management to meet your preferences.

Dual Mount Option

3M Adhesive or a suction cup.

7 YEAR WARRANTY

ARC

ARC™ (Automate Radio Communication) is Rollease Acmeda's proprietary technology utilizing 433MHz radio communication with bi-directional feedback that brings Automate motorized shading systems together.

A Division of Rollease Acmeda

Product Specifications

Part #: MT02-0302-067003 Automate | Internal Sun Sensor

Size	60mm x 17mm	Weight	30g w/o battery
Light Intensity Range	0 - 60 kLux	Battery	1.5 V AAA battery
Frequency	433.92 MHz	Working Current	<100mA
Transmission Distance	98 ft (30 m) Indoor	Ambient operating temperature	-14 °F - 140 °F
			-10 °C - +60 °C

Dimensions

Minimum Hem bar Distance
