

## Child Safe Magnetic Wand Motor

### Retrofit

Upgrade manual shade systems by simply swapping the clutch for a motor, eliminating the need to re-make the shade.

### Wand Control

A 36" inch slimline wand is used to operate the motor with basic up, down and stop functionality.

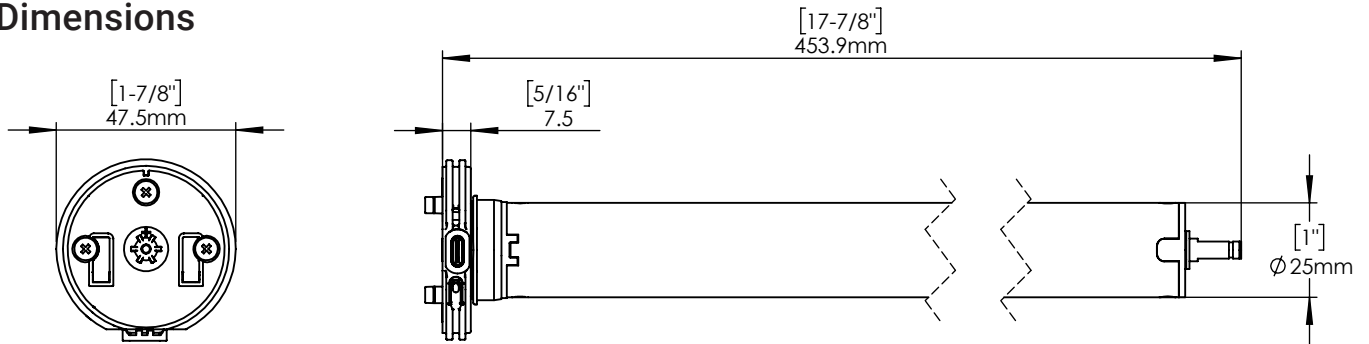

### Child Safe

A entry level motor with basic functionality to support our child safe suite of products.

### Removable Wand

A entry level motor with a innovative removable magnetic wand for local control to support our child safe suite of products.

### Dimensions

### Control Method

\*Magnetic Wand Control 36" (Only White)

### Product Specifications
